ALPHA OMEGA REGISTERS TO SUPPORT THE SUSAN G. KOMEN RACE FOR THE CURE FUNDRAISING CHALLENGE

BALTIMORE, MD – Alpha Omega will again help raise money for the Susan G. Komen Race for the Cure by accepting donations on the Chapter's team page at: <http://www.komenmd.org/2011/alphaomegaupt>. The Beta Tau Omega Alumni Chapter, located in Central Maryland, has organized the other local chapters in the area and this will be the second year Alpha Omega has registered a team.

The Race will be held on October 23, 2011 and starts at 7:30am. Those running or walking will meet at the Executive Plaza parking lot which is located at 11350 McCormick Road Hunt Valley, MD 21031.

Some Facts about Breast Cancer:

- One woman is diagnosed with breast cancer every 3 minutes, and one woman will die from the disease every 13 minutes in the United States.
- Every woman is at risk for breast cancer. Young women can and do get breast cancer, even in their 20's and sometimes younger.
- Breast cancer is not strictly a disease that affects women. An estimated 2,030 men will be diagnosed with breast cancer this year.
- Breast cancer is a family disease — it does not solely affect those diagnosed. Husbands, brothers, wives, daughters, sons, neighbors and friends of the person diagnosed are deeply touched by the disease as well.
